SUNNY STYLE SOLAR SHOWER

The Sunny Style" solar shower uses the energy from the sun's ray to produce hot water ecologically and without using any electricity. Exposed to the sun for about 2 hours, thanks to the water heating process contained in the tank-base, it supplies many hot showers with adjustable temperature through the handy mixer tap included. The new coloured covers make the "Sunny Style" shower more attractive and pleasant complying with all consumer's preferences

- Hot and cold water mixer, to adjust the desired temperature
- Stable and safe base / tank
- Useful height 2 m
- Inlet pressure regulator with safety valve
- Tap connector $\frac{3}{4}$ "
